

## Website of the Month - The Torquay Hotel Hervey Bay (Hervey Bay)

Situated in the heart of Hervey Bay....by the beach....the Torquay Hotel is the place where locals and visitors meet to relax and enjoy the best of what the Bay has to offer....

**The best** atmosphere to enjoy a meal or a few drinks with family and friends, dance the night away on Friday and Saturday, or spend a lazy Sunday afternoon chilling and listening to the best live local music...

**The best** TAB facilities in town, with the latest equipment to make picking that winner a breeze, with a big screen to cheer it past the winning post, or barrack for your favourite footy team...

**The best** gaming room in town, where you can try your luck on 40 of the latest poker machines, or bet your lucky numbers on Keno...

**The best** function room in town, with a fantastic private bar, plenty of flexibility to cater for any style of event, and a diverse range of catering options...

**The best** range of beers, wines and spirits in our two "Bottle-o's", where we offer the value of the big chains with the service of an independent...

.....The Best

A screenshot of the Torquay Hotel website. The top navigation bar includes 'HOME', 'FACILITIES', 'FUNCTIONS', 'WHAT'S ON', and 'CONTACT US'. Below this is a 'TAB' logo, a 'Keno' logo, and a 'Bottle-O' logo. The main content area features a large image of the hotel at night with the text 'Good Times... Great Meals!'. To the right, there are several smaller images: a woman in a red uniform, a chef, a plate of food, and a dining area. The text on the page repeats the 'best of what the Bay has to offer' theme and lists the various amenities like the gaming room and function room.

## Billboard of the Month - Fertility Solutions (Sunshine Coast & Bundaberg)

"Having just recently decided to branch out into Billboard advertising I came into contact with Jeanette Maynes from Design House. I have found Jeanette to be very efficient and reliable – going that extra mile to ensure that the ad is “eye catching”, easy to read and of a very high quality. She was even responding to my emails over a weekend period.

To those of you who are still a little uncertain as to which creative graphic or website designer to use I would highly recommend that you choose Jeanette, you won't regret it."

## Sponsorship of the Month – Meals On Wheels Fraser Coast!!

I've registered to run in the [Bridge to Brisbane](#) 10km run this year on Sunday 11th of September and have decided to raise money for a local charity also, being [Meals On Wheels Fraser Coast](#) Inc.

*"Meals On Wheels Fraser Coast Inc strives to provide delivered fresh nutritiously balanced meals and fellowship to frail, aged and younger infirm on the basis of need.*

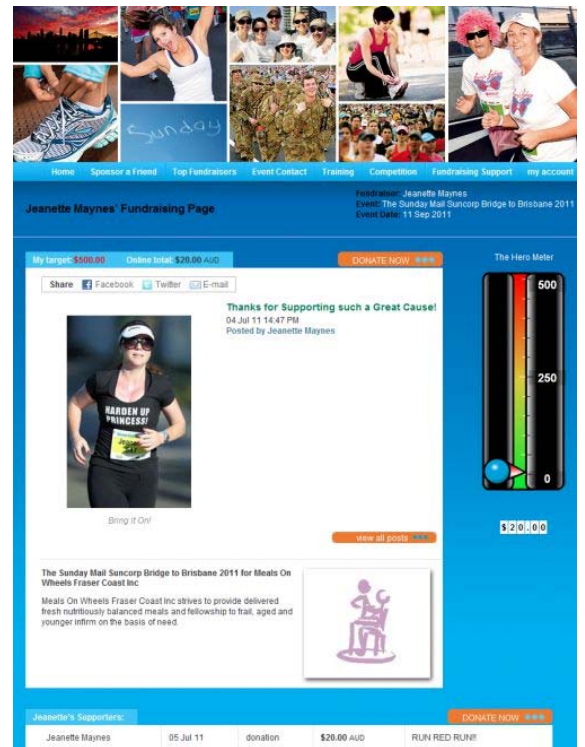

*Meals on Wheels Fraser Coast is reliant on our wonderful volunteers who are the strength of the organisation. There are cooks, cleaners, drivers, kitchen helpers and delivery drivers. We always need volunteers to help maintain our high level of service and to cope with demand. It only takes a few hours a week and everyone benefits.*

*Come along and give it a go, you may be surprised just how enjoyable and rewarding it is."*

Please click [here](#) if you would like to help me raise money for this worthy cause! Thank you!
